Dear Sponsor,

On August 31, 2013, our daughter Olivia Rotondo died at the young age of 20. She was a student at the University of New Hampshire. Olivia was a member of the UNH Dance Team and had become a beloved member of the UNH community. She graduated with the Mount St. Charles Class of 2011. She was a member of the MSC State Championship cheerleading team. Olivia possessed an extraordinary amount of spirit and heart. She took advantage of every minute of her short life and encouraged her friends and family to do the same.

The "LivForYou" Foundation, a 501(c)(3) non-profit organization, was created with the intention to honor the qualities of Olivia's life that made her unique. The foundation's mission is to enrich the lives, and provide scholarship assistance to spirited young people who engage in the art of dance and/or movement.

LivForYou currently provides an annual scholarship to a graduating Rhode Island cheerleader and a graduating Rhode Island dancer. The foundation also awards a Mount Saint Charles graduating student who is the spirit leader of either the dance or cheerleading squad. For the first time this year The LivForYou Foundation is also involved with Camp Erin of Boston, which is a bereavement camp for young people who have lost a family member. LivForYou continues to grow and with your support looks for new ways to give back to her community.

The LivforYou Foundation is having its fourth annual "Sunflower Open" charity golf tournament to be held on August 28, 2017, at Blissful Meadows Golf Course in Uxbridge, Massachusetts. We are in need of golfers, donations or contributions to support our tournament and continue to grow the foundation. Our sponsors will be recognized in the tournament program. We would like to thank you in advance for your support.
